In accordance with our telephone conversation earlier this week, you told me you were requesting the easement from Hal Reiland, which Marv Lindorf said existed at the July 17th RHE Board meeting. You also told me you were giving Hal Reiland 48 hours in which to respond to your request, otherwise you were going out to the County Records Department for this information.

If you have received this document, would you please fax a copy to 256-9898.

Thank you for an early response & your continued cooperation.
