

Public Hearing Monday
February 23, 2004

Hal Reiland & Round Hill Enterprises

On Thursday July 17, 2003, the RHE Board of Directors in a majority vote rescinded the variances for a 4' retaining wall on the 7th Fairway on RHCC property. Without any explanation, President Pete Davis, Director Gary Wolff, and Club Manager Jack Mahoney, lobbied the Directors to withdraw their decision.

This Public Hearing reveals a much stronger relationship between RHE and Hal Reiland involving land use on the 7th Fairway, contrary to President Pete Davis' letter to shareholders dated January 3, 2004.

The poor governance of RHCC by the RHE Board and Management has opened the door for public scrutiny by public investigators.
